

Project R.E.S.T. Holiday Giving Program

Sharing Hope

Celebrate the Holidays by Helping Others:

We are asking our sponsors to purchase new unwrapped items for Children ages 0-18, Adult Women & Men, and/or household supplies this holiday season.

Our holiday room is available to shelter residents and clients we have assisted within the past year. Once a client has been approved, they have the opportunity to shop.

Because of donors like you, our clients have the opportunity to celebrate the holiday without worry and be involved in the gift selection process for their children.

More Ways to Help:

If you prefer to give a cash donation this holiday or purchase items from our wish lists, please go to our website, projectrest.org or linktr.ee/projectrest!
